## INTRODUCTION

This is the sixteenth annual edition of the Private Property Congressional Vote Index. The League of Private Property Voters (LPPV) has published the Index each year since 1989.

LPPV is a coalition of more than 600 grassroots organizations that advocate the rights of property owners, including farmers, ranchers, woodlot owners, residents of rural communities, owners of recreational property, and inholders of private property located within and adjacent to federal lands. It also includes cabin permittees, off-road vehicle owners, equestrians, snowmobilers, hunters and recreational shooters, and livestock grazers, foresters and miners who make productive use of federal lands.

Votes for this year's Index were chosen from discussions among approximately twenty five leaders of the Wise Use movement nationwide. These votes represent the most important snapshots demonstrating protection of the constitutional rights of property owners against a powerful and overbearing federal government. They also show support for recreational and commercial access for federal lands, upon which many rural communities depend and all Americans share.

We encourage readers to examine the voting records of their Senators and Members of Congress. Please thank those that stood up for us, and educate the rest.

- The Editors

## US HOUSE VOTES

### **#1 - REPEAL THE DEATH TAX – House Vote 102 - HR 8: Estate Tax Permanent Repeal - Passage**

April 13, 2005 - Passage of the bill that would make permanent the repeal of the estate tax contained in the 2001 tax cut law (PL 107-16) and which is set to expire after 2010.

Passed 272-162: R 230-1; D 42-160; I 0-1. **LPPV POSITION: YES**

### **#2 - SHUT DOWN PUBLIC LANDS TO ENERGY EXPLORATION – House Vote 122 - HR 6: Energy Policy - ANWR Leasing**

April 20, 2005 - Markey, D-Mass., amendment that would strike the provision in the bill that would allow leases for oil and gas exploration, development and production in the Arctic National Wildlife Refuge.

Rejected 200-231: R 29-201; D 170-30; I 1-0. **LPPV POSITION: NO**

### **#3 - OPEN UP PUBLIC LANDS TO ENERGY EXPLORATION – House Vote 192 - HR 2361: Fiscal 2006 Interior and Environment Appropriations - Natural Gas Moratorium**

May 19, 2005 - Peterson, R-Pa., amendment that would lift the moratorium on natural gas production in the Outer Continental Shelf.

Rejected 157-262: R 130-93; D 27-168; I 0-1. **LPPV POSITION: YES**

### **#4 - PROHIBIT FUNDING FOR CONDEMNATION OF PROPERTY – House Vote 350 - HR 3058: Fiscal 2006 Transportation-Treasury-Housing Appropriations - Eminent Domain**

June 30, 2005 - Garrett, R-N.J., amendment that would prohibit the use of funds in the bill to improve or construct infrastructure support on private property obtained through the power of eminent domain for private development. Adopted 231-189: R 192-31; D 39-157; I 0-1. **LPPV POSITION: YES**

### **#5 - DERAIL REFORM OF THE ENDANGERED SPECIES ACT – House Vote 505 - HR 3824: Endangered Species Act Overhaul - Substitute**

September 29, 2005 - Miller, D-Calif., substitute amendment that would make insignificant changes to the Endangered Species Act, and only through 2010. This substitute was designed to derail Congressman Richard Pombo's excellent ESA reform bill (see vote #6). Rejected 206-216: R 29-198; D 176-18; I 1-0. **LPPV POSITION: NO**

### **#6 - ENDANGERED SPECIES ACT REFORM, INCLUDING COMPENSATION FOR PROPERTY OWNERS – House Vote 506 - HR 3824: Endangered Species Act Overhaul - Passage**

September 29, 2005 - Passage of the bill that would overhaul and reauthorize the Endangered Species Act through 2010. It would replace the critical habitat designation with expanded authority to develop recovery plans for species that take into account areas of "special value" in conserving an endangered or threatened species. The Interior Department would be required to reimburse landowners who are not allowed to develop their land because of protections for endangered species. It also would authorize grants for private landowners to protect endangered species.

Passed 229-193: R 193-34; D 36-158; I 0-1. **LPPV POSITION: YES**

It would permit the use of eminent domain in such cases. This amendment was designed to undermine House-approved legislation to overturn the "Kelo" Supreme Court decision. It would have opened up a giant loophole for arrogant government agencies and corrupt officials to seize private property and hand it over to other private parties.

Rejected 56-357: R 28-192; D 28-164; I 0-1. **LPPV POSITION: NO.**
