## INTRODUCTION

This is the eighteenth annual edition of the Private Property Congressional Vote Index. The League of Private Property Voters (LPPV) has published the Index each year since 1989.

LPPV is a coalition of more than 800 grassroots organizations that advocate the rights of property owners, including farmers, ranchers, woodlot owners, residents of rural communities, owners of recreational property, and inholders of private property located within and adjacent to federal lands. It also includes cabin permittees, off-road vehicle owners, equestrians, snowmobilers, hunters and recreational shooters, and livestock grazers, foresters and miners who make productive use of federal lands.

Votes for this year's Index were chosen from discussions among approximately twenty five leaders of the Wise Use movement nationwide. These votes represent the most important snapshots demonstrating protection of the constitutional rights of property owners against a powerful and overbearing federal government. They also show support for recreational and commercial access for federal lands, upon which many rural communities depend and all Americans share.

We encourage readers to examine the voting records of their Senators and Members of Congress. Please thank those that stood up for us, and educate the rest.

- The Editors

## CHAMPIONS AND ENEMIES

A CHAMPION of Property Rights is a score of 80% or higher on the LPPV Index.

An ENEMY of Property Rights is a score of 20% or lower on the LPPV Index.

### Senate:

The Senate cast important votes on opening up public lands and repealing the death tax. It was generally supportive of private property rights and multiple use of federal lands.

There were 27 Champions of Property Rights, 26 Republicans and Senator Nelson (D-NE).

There were 25 Enemies of Property Rights, all Democrats.

### House:

The House had an excellent 109th Congress. It approved landmark revisions, including compensation to property owners, to the Endangered Species Act, voted to overturn the disastrous Kelo Supreme Court decision, repeal the Death Tax, expand energy exploration, and improve property owners access to the courts.

There were 190 Champions of Property Rights, including 181 Republicans and Democrats Cramer (AL), Berry (AR), Ross (AR), Costa (CA), Melancon (LA), Peterson (MN), Boren (OK), Cuellar (TX) and Edwards (TX).

There were 146 Enemies of Property Rights, 143 Democrats and Republicans Ehlers (MI), Boehlert (NY) and Kelly (NY).

## US HOUSE VOTES

### **#1 - REPEAL THE DEATH TAX – House Vote 102 - HR 8: Estate Tax Permanent Repeal - Passage**

April 13, 2005 - Passage of the bill that would make permanent the repeal of the estate tax contained in the 2001 tax cut law (PL 107-16) and which is set to expire after 2010.

Passed 272-162: R 230-1; D 42-160; I 0-1.

**LPPV POSITION: YES**

### **#2 - PROHIBIT FUNDING FOR CONDEMNATION OF PROPERTY – House Vote**

#### **350 - HR 3058: Fiscal 2006 Transportation-Treasury-Housing Appropriations - Eminent Domain**

June 30, 2005 - Garrett, R-N.J., amendment that would prohibit the use of funds in the bill to improve or construct infrastructure support on private property obtained through the power of eminent domain for private development.

Adopted 231-189: R 192-31; D 39-157; I 0-1.

**LPPV POSITION: YES**

### **#3 - DERAIL REFORM OF THE ENDANGERED SPECIES ACT – House Vote 505 - HR 3824: Endangered Species Act Overhaul - Substitute**

September 29, 2005 - Miller, D-Calif., substitute amendment that would make insignificant changes to the Endangered Species Act, and only through 2010. This substitute was designed to derail Congressman Richard Pombo's excellent ESA reform bill (see vote #6).

Rejected 206-216: R 29-198; D 176-18; I 1-0.

**LPPV POSITION: NO**

### **#4 - ENDANGERED SPECIES ACT REFORM, INCLUDING COMPENSATION FOR PROPERTY OWNERS – House Vote 506 - HR 3824: Endangered Species Act Overhaul - Passage**

September 29, 2005 - Passage of the bill that would overhaul and reauthorize the Endangered Species Act through 2010. It would replace the critical habitat

designation with expanded authority to develop recovery plans for species that take into account areas of "special value" in conserving an endangered or threatened species. The Interior Department would be required to reimburse landowners who are not allowed to develop their land because of protections for endangered species. It also would authorize grants for private landowners to protect endangered species.

Passed 229-193: R 193-34; D 36-158; I 0-1.

**LPPV POSITION: YES**

### **#5 - PRETENDING TO OVERTURN "KELO" EMINENT DOMAIN SUPREME COURT DECISION – House Vote 566 - HR 4128**

November 03, 2005 - Turner, R-Ohio, amendment that would specify allegedly "harmful" uses of land. It would permit the use of eminent domain in such cases. This amendment was designed to undermine House-approved legislation to overturn the "Kelo" Supreme Court decision. It would have opened up a giant loophole for arrogant government agencies and corrupt officials to seize private property and hand it over to other private parties.

Rejected 56-357: R 28-192; D 28-164; I 0-1.

**LPPV POSITION: NO.**

### **#6 - EXPEDITE SALVAGE LOGGING — House Vote 151 - HR 4200: Salvage Logging - Passage**

May 17, 2006 - Passage of the bill that would expedite projects to rehabilitate federal land after catastrophic events, such as fires, floods, or other disasters. Timber harvesting would be allowed on damaged land when trees are dead, down, or broken after a disaster; there is a high probability that the trees will die within five years; or when trees have to be removed for public safety. The bill would permit the two agencies to assist state and local governments in restoring non-federal land after a disaster. Passed 243-182: R 202-26; D 41-155 (ND 16-129, SD 25-26); I 0-1. **LPPV POSITION: YES**

Note: A "yea" was a vote in support of the president's position.

**#7 - OVER-REGULATE WETLANDS — House Vote 169 - HR 5386: Fiscal 2007 Interior-Environment Appropriations - Intrastate Bodies of Water**

May 18, 2006 - Oberstar, D-Minn., amendment that would bar the use of funds in the bill to enforce current EPA policy that isolated, intrastate bodies of water are not necessarily subject to environmental regulations under the Clean Water Act.

Adopted 222-198: R 37-187; D 184-11 (ND 141-4, SD 43-7); I 1-0.

**LPPV POSITION: NO**

**#8 - ANWR OIL EXPLORATION — House Vote 209 - HR 5429: Arctic National Wildlife Refuge - Passage**

May 25, 2006 - Passage of the bill that would authorize leases for oil and gas exploration, development, and production in the coastal plain of Alaska's Arctic National Wildlife Refuge (ANWR). It would allow the first lease sale of at least 200,000 acres to be held within 22 months of the bill's enactment. Lessees would be required to pay the federal government royalties of at least 12.5 percent of the product value removed or sold as determined by the agency. It would ban the exportation of oil pumped in ANWR and it would limit to 2,000 acres the area covered by wells, roads and other production infrastructure.

Passed 225-201: R 198-30; D 27-170 (ND 7-140, SD 20-30); I 0-1.

**LPPV POSITION: YES**

Note: A "yea" was a vote in support of the president's position.

**#9 - OFFSHORE OIL/GAS EXPLORATION — House Vote 356 - HR 4761: Offshore Drilling - Passage**

June 29, 2006 - Passage of the bill that would end a federal moratorium on most offshore exploration and development of oil and natural gas but give states more control over drilling along their coasts. The bill would require the Interior Department to offer leases for offshore oil and gas drilling for 75 percent of available offshore locations on the Outer Continental Shelf. Drilling would be banned out to 50 miles off the coasts. States could repeal the ban and pursue exploration closer to the coast or extend protection to 100 miles. It would incrementally increase states' share of revenue from offshore fuel production, bids for leases, and royalty payments from 4.6 percent in fiscal 2006 to 42.5 percent in fiscal 2022.

Passed 232-187: R 192-31; D 40-155 (ND 15-131, SD 25-24); I 0-1.

**LPPV POSITION: YES**

**#10 - STOP RESERVATION SHOPPING — House Vote 439 - HR 4893: Off-Reservation Gaming - Passage**

September 13, 2006 - Pombo, R-Calif., motion to suspend the rules and pass the bill that would place additional limits on opening new off-reservation gambling operations for American Indian tribes. It would eliminate the test under which a tribe may build new off-reservation casinos if Interior Department and state officials determine that the new development is in the best interest of the tribe and the community.

Motion rejected 247-171: R 208-16; D 39-154 (ND 26-117, SD 13-37); I 0-1.

**LPPV POSITION: YES**

Note: A two-thirds majority of those present and voting (279 in this case) is required for passage under suspension of the rules.

**#11 - COURT ACCESS FOR TAKINGS CLAIMS — House Vote 511 - HR 4772: Eminent Domain - Passage**

September 29, 2006 - Passage of the bill that would ensure access to federal courts for those challenging government attempts to take their property under eminent domain. It would allow private landowners who wish to challenge a state or local government's "taking" of their land to file a claim directly with a federal court when only federal claims are alleged.

Passed 231-181: R 194-25; D 37-155 (ND 13-131, SD 24-24); I 0-1.

**LPPV POSITION: YES**

**PRIVATE PROPERTY CONGRESSIONAL VOTE INDEX  
SPONSORSHIP ACCEPTANCE FORM**

- YES, I wish to sponsor the **Private Property Congressional Vote Index**. Here is my \$100 to become an official sponsor.
- Enclosed is \$35 for membership in the **League of Private Property Voters**. I understand I will receive various alerts and publications to keep me informed about government land acquisition, United Nations, Federal and state land use controls, wetlands, Endangered Species Act and other private property issues.
- I cannot be a co-sponsor of the Index at this time. However, I really like the Vote Index. Here's a contribution to help mail the Index to more people.
