

House Vote #1: ENDANGERED SPECIES ACT FLOOD WAIVERS. An attempt by Rep. Sherwood Boehlert (R-NY) to water down the ESA flood waivers bill with a substitute amendment to provide project exemption limitations to waivers of the Endangered Species Act consultation regulations for repair or replacement of flood control projects in counties declared federal disaster areas through 1998 and waive the requirements for repairs to any project that presents a substantial threat to human lives and property. The amendment passed 227-196 on May 7, 1997. A "yea" was a vote in support of the President's position. The private property position was a no. (This vote was counted twice because this vote was considered precedent setting for votes on other environmental issues in the 105th Congress. Members were told ahead of time that if this bill failed to pass, other environmental legislation would be postponed or ignored).

House Vote #2: FUNDING FOR WORLD HERITAGE/BIOSPHERE

PROGRAMS. This was a second and separate vote on the State Department Appropriations Bill at the request of Rep. Jose Serrano (D-NY) on the amendment by Rep. Tom Coburn (R-OK) to prohibit funding for the World Heritage Program or the Man and the Biosphere Program administered by the United Nations Educational, Scientific, and Cultural Organizations and through the State Department and National Park Service in the United States. The Coburn Amendment passed 222-202 on June 11, 1997. The private property position was yes.

House Vote #3: FUNDING FOR FOREST SERVICE LOGGING ROADS. This vote was on an amendment by Rep. Norm Dicks (D-WA) to the amendment by Rep. John Porter (D-IL). The Porter amendment would have slashed forest road construction funds. The Dicks amendment was offered as a compromise to only cut funds for new timber logging roads by \$5.6 million. The amendment also reduces funding from \$50 million to \$25 million for the Purchaser Credit Program, which gave timber credits to companies as payments for building new forest roads. The Dicks amendment passed 211-209 on July 10, 1997. (These roads are used for many years after all timber harvesting is completed by private property owners, ranchers, miners, hunters, fishermen, off-highway vehicle users and other recreationists). The private property position was yes.

House Vote #4: BIOSPHERE AND WORLD HERITAGE - INTERIOR

APPROPRIATIONS. The amendment by Rep. Tom Coburn (R-OK) was to prohibit the use of Interior Department funds in the bill for the US Man and Biosphere Program or the World Heritage Program administered by the United Nations Educational, Scientific and Cultural Organization. It passed 222-203 on July 15, 1997. (This is a different vote on a different appropriations bill than Vote #2). The private property position was yes.

House Vote #5: NATIONAL MONUMENT DESIGNATION - CONGRESSIONAL

CONSENT. An amendment by Rep. Bruce Vento (D-MN) to strike the bill's provision to require the President to obtain congressional approval for proposed national monuments in excess of 50,000 acres. The amendment would have instead established a one-year delay from the time the President announces a monument designation to when the designation actually would take effect. The amendment was rejected 201-224 on October 7, 1997. Property rights position was no.

House Vote #6: NATIONAL MONUMENT DESIGNATION - FINAL PASSAGE.

Passage of the bill to allow the president to unilaterally designate national monuments but require termination of a monument in excess of 50,000 acres within two years unless Congress adopts a joint resolution approving the monument. The bill also would require the president to notify the governor of the state in which the monument is to be located and seek written comments at least 30 days prior to the monument declaration. Passed 229-197 on Oct. 7, 1997. Property rights position was yes.

House Vote #7: UNITED NATIONS LAND DESIGNATION - RAMSAR

CONVENTION EXEMPTION. An amendment by Rep. Bruce Vento (D-MN) would exempt from the bill's requirements all sites nominated for international designation under the Convention on Wetlands of International Importance Especially as Waterfowl Habitats, commonly known as the Ramsar Convention. The amendment was rejected 195-220 on October 7, 1997. The private property position was no.

House Vote #8: UNITED NATIONS LAND DESIGNATION - BIOSPHERE

RESERVES TERMINATION. Rep. George Miller's (D-CA) amendment to the bill's provision

that would terminate all existing Biosphere Reserves unless a reserve is explicitly authorized by Congress before December 31, 2000. The amendment failed 199-227 on October 8, 1997. The private property position was no.

House Vote #9: UNITED NATIONS LAND DESIGNATION - PASSAGE. Passage of the bill to prohibit federal officials from nominating US lands for protection under United Nations Educational, Scientific and Cultural Organization conservation programs without previous congressional approval. The bill also would terminate all existing US lands in the UN Biosphere Reserve program unless certain conditions are met, including congressional authorization for each reserve by Dec. 31, 2000. Passed 236-191 on Oct. 8, 1997. Private property advocates voted yes.

House Vote #10: PRIVATE PROPERTY RIGHTS - LOCAL LAND USE DECISION APPEALS. Rep. Sherwood Boehlert's (R-NY) substitute amendment to eliminate the bill's provisions that allow a private property owner to appeal local land use decisions in the federal courts, while retaining provisions that allow expedited federal court consideration of land use disputes involving the federal government. Rejected 178-242 on Oct. 22, 1997. The private property position was no.

House Vote #11: PRIVATE PROPERTY RIGHTS - PASSAGE. Passage of the bill to establish guidelines for allowing private property owners to appeal local, state and federal land use decisions in federal courts. The bill requires federal courts to consider all cases qualifying as "takings" under the Fifth Amendment to the Constitution, which prohibits the federal government from taking private property for the public good without giving just compensation to the land owner. Passed 248-178 on Oct. 22, 1997. Private property advocates voted yes.

House Vote #12: GRAZING FEES AND RANGELAND MANAGEMENT - PASSAGE. Passage of the bill to establish a statutory formula to calculate rancher fees to graze cattle and other livestock on lands administered by the Bureau of Land Management and the US Forest Service. The bill increases federal fees for grazing cattle on public lands, but decreases grazing fees for sheep and goats. Passed 242-182 on Oct. 30, 1997. The private property position was yes.
