

To: Gail Norton, Secretary of the Interior
Marcia Blaszak, Acting Regional Director (Alaska), National Park
Service
U.S. District Court (Anchorage)

March 4, 2004

WE THE UNDERSIGNED CITIZENS OF THE WRANGELL ST ELIAS
NATIONAL PARK AREA AND THE STATE OF ALASKA

PROTEST the outrageous criminalizing by the National Park
Service and the federal courts of a public spirited man, Doug
Frederick, of Slana, who was undertaking a volunteer trail
improvement demonstration.

The National Park Service claims to be a good neighbor but its
actions abusing this family speak louder than words.

The \$500 fine imposed by Magistrate John Roberts is not against
Doug and Judy Frederick. IT'S AGAINST THE ENTIRE
COMMUNITY and it's obviously intended to send a message that if
anyone tries to protect the public's ANILCA rights, they will be
punished by the system.

THE COMMUNITY SENDS THIS MESSAGE BACK TO THE NPS:

What has been done is unjust, oppressive, not correct, not
credible, and not honest. We have collected all of the fine money
here tendered among us. We resolve that the Fredericks will pay
none of it.
